# The Cycle of Success

The Cycle of Success will begin and keep your business moving forward. Like a wheel that creates momentum, the faster you rotate the cycle, the faster your business grows and gets into momentum.

The actions in the dark blue are the Income Generating Activities. All parts of the cycle are important, but these 4 actions are what specifically create income. 80% of your time should be spent on the Income Generating Activities.

## Fast Start Bonus

Earn **20%** of Personal Brand Partners initial purchase PV<sup>1</sup>

<sup>1</sup>Unless there is a specific PV amount assigned to Initial Enrollment Product Pack.

<sup>2</sup>MPV is your Maintenance PV and is based on the sales that you make to your Customers and the products you purchase for your own personal use in the current rolling Juuva 4-week period (28 days).

<sup>3</sup>ETPV is your Enrollment Tree PV. You must have the minimum shown in your Reference Leg AND Pay Leg.

<sup>4</sup>Binary Bonus: Earn the higher percentage from the WITH column (instead of the WITHOUT column) when you enroll, during the current 4-week period, a Pre-ferred Customer or Personal Brand Partner with at least a 140 PV initial order.

<sup>5</sup>Product credits are only given the first time a Rank is achieved, no PV awarded, and does not count towards MPV. JVC is fully paid the first time the Rank is achieved.
